EDF call for proposals

Luxinnovation Support

Companies and Research organisation from Luxembourg that intend to participate to the EDF calls for proposals 2022, can benefit from an individual support by Luxinnovation. To do so, indicate the targeted calls based on the [quick overview on the call topics](#) or the [detailed description of each call](#).

The survey will be open until 22 July.

Recomendations

- Review the [presentations](#) from the EC Info & Networking Day on the 30.06-01.07. The B2B matchmaking platform is still available.
- Participate to Luxinnovation's [Survey](#) to get individual support and access to further B2B Matchmaking opportunities with National Defence Industry Associations (NDIA) from partner countries
- Provide us and the Directorate of Defence as early as possible with a [one-pager template](#) on the project proposals and consortium (**ideally before 15/09**)
- **Be ready** to engage with defence actors/consortia and **be reactive** as we get regular expressions of interest from abroad

Thank you!
